A member of the team will take guests through the boat, showing them the navigation desk, kitchen, toilet, bunks and more as well as sharing personal stories from the Race and last around 15 minutes.

History boards of each boat will be provided by The Ocean Race and put on the dock.

The Team will have appropriate insurance for any accident that may happen on board during these activities.

Each Team will be required to make available for TOR & Genova Host city organization a minimum of 2-4 spots on board the boat (depending on boat size) for VIP Spectator boat experience during the In-Port Race of the Race on the 1st of July 2023, free of charge. These spots will be used for sponsor experiences at TOR & Genova Host City discretion. Additional spots will be subject to cost at reasonable rates. The opportunity to sell commercial spots on the boats will be at the discretion of the boat team.

## DOCK-OUT SHOW / PARADE OF SAIL

Each Team shall be responsible for selecting and providing TOR a theme song to be played while the Team is being presented before dock-out for the Legends Regatta. This song will preferably link to the era of the boats participation in the Whitbread Round the World race or Volvo Ocean Race. The theme song will also be played at the dock-in ceremony.

The dock-out and dock-in show will be organized by The Ocean Race event team and will start 2 hours ahead of race start.

Existing long-term boat sponsors and partners do not need to be approved by The Ocean Race or Host City. Notwithstanding the foregoing, each Team shall be required to inform TOR of all existing Sponsors in their Entry Form. Existing logos are allowed on the boats and crew gear.

For additional activation beyond boat and crew gear branding as per above, Teams will be required to submit a request to TOR for prior approval.

## CHARTER SAILING OPPORTUNITIES

This is a possibility and an opportunity for the participating boats to get extra income during the week in Genova. The charter program is optional but if any Legends boats wants to sell charter sailings it has to be in conjunction with The Ocean Race and Genova Host city organization. The skipper and yacht must comply with local safety and passenger regulations regarding charter and guests onboard. The skipper is responsible for waivers for guests onboard.

The Ocean Race and Genova host city will not actively sell charter sailing but will promote boats that are interested to sell charter sailings and will introduce this to the Host City partners and corporate guests and put them in direct contact with the Team manager.
